## Screen: Login & Sign Up

The landing page contains 2 panels. User can sign up (register) a new account if they haven't done yet.

Click on "I forgot" under User Name will invoke a modal box to enter required information. See page 3.

Click on "I forgot" under Password will invoke a modal box to enter required information. See page 4.

The wireframe mockup displays a landing page with two main sections: 'Login' on the left and 'Sign Up' on the right. Both sections are contained within a dark header bar and a light gray body area. The 'Login' section includes fields for 'User Name' and 'Password', both with 'I forgot' links. It also features a 'Remember me' checkbox and a 'Log In' button. The 'Sign Up' section includes fields for 'First Name' and 'Last Name'. Below these is a note about receiving a verification code and options for 'Email' or 'Text'. It includes an 'Email Address' input field, a 'Send' button, and a checkbox for agreeing to terms and privacy policy. A 'Sign Up' button is located at the bottom of the sign-up panel. The footer of the page contains the copyright notice 'Copyright © 2016 xFusionTech'.

## Screen: Forgot User Name

The wireframe shows a modal dialog box titled "Forgot User Name". The dialog has fields for "First Name" and "Last Name" (each in its own input box), "Street Address" (in a single input box), "City" (input box), "State" (dropdown menu), and "Zip" (input box). Below these fields is a decorative graphic with the words "good morning" in a stylized font. To the right of the graphic is a "New Image" link. Below the graphic is a "Word Verification" field containing the word "fusion" with a small accessibility icon (handicap symbol) next to it. A note below the verification field says "Please choose the method to receive your user name." with radio buttons for "Email" (selected) and "Text". An "Email Address" input field and a "Send" button are also present. At the bottom of the dialog is a "Close" button.

## Screen: Forgot Password

After verifying user's name, 2 secret questions will be sliding down each time for further verification.

The wireframe shows a modal dialog titled "Forgot Password". Inside the dialog, there is a "User Name" field containing "Jack916" with a checkmark icon. Below it, "Secret Question 1:" asks "What was the name of your elementary school?", with an "Answer" input field. Further down, "Secret Question 2:" asks "What is your first pet's name?", also with an "Answer" input field. A decorative "good morning" image is centered between the two questions. At the bottom, there is a "Word Verification" input field with a disabled "Send" button. Below that, a section for choosing a method to receive the password (Email or Text) has "Text" selected. A "Mobile No. xxx-xxx-xxxx" input field and a "Send" button are also present. A "Close" button is at the bottom right of the dialog. The background shows a dark "Login" screen with fields for User Name and Password, and a "Log In" button.

## Screen: Inbox > Compose Email

User can send email to assigned facility's contact person and caseworks.

The wireframe shows the xFusionTech inbox interface. At the top, there is a header bar with the xFusionTech logo, a search icon, and user information (Hello: Jack McCromy, Logout). Below the header is a navigation bar with links for Agent Logo, Parent Profile, Child(ren) Profile, Facilities Locator, Manage Inbox (with a notification badge showing 2), Compose New Email, and Contact Info. The main content area starts with a "Send To:" field containing "Atkinson Family Services:" followed by two radio button options: "Contact Person: Joshua Anderson" (selected) and "Case Worker: Kevin Jones". Below this is a "Subject:" input field, which is currently empty. Underneath is a larger "Message:" text area, also currently empty. At the bottom of the message area are two buttons: "Clear" and "Send". A copyright notice at the very bottom of the page reads "Copyright © 2016 xFusionTech".

## Screen: Inbox > Message List

Message list will be sorted by date in default. User can also view the message filtered by contact person or case worker.

The wireframe shows a top navigation bar with the xFusionTech logo, user info (Hello: Jack McCromy), and a search icon. Below the navigation is a header section with an Agent Logo placeholder, a Custom Agent Banner, and three links: Parent Profile, Child(ren) Profile, and Facilities Locator. A prominent 'Manage Inbox' button with a '2' notification badge is centered. Below this is a secondary navigation bar with 'Compose New Email', 'Inbox' (which is selected and has a '2' badge), and 'Contact Info'. The main content area is a table listing messages. The columns are 'From', 'Received Date/Time', and 'Subject'. Each message row includes a trash icon. The 'From' column lists names like Joshua Anderson, Kevin Jones, and others. The 'Received Date/Time' column shows dates ranging from April 12, 2016, to May 20, 2016. The 'Subject' column contains sample text. At the bottom of the table is a 'Filter' dropdown set to 'Atkinson Family Services: Contact Person - Joshua Anderson'.

From	Received Date/Time	Subject

## Screen: Inbox > Message Expanding View

Click on message subject will expand the view with message body, reply box as well as the message thread.

The wireframe shows a top navigation bar with the xFusionTech logo, user info (Hello: Jack McCromy), and a search icon. Below is a header with an Agent Logo placeholder, a Custom Agent Banner, and navigation links for Parent Profile, Child(ren) Profile, Facilities Locator, and Manage Inbox (with 2 notifications). A sub-header includes Compose New Email, Inbox (2 notifications), and Contact Info.

The main area displays an inbox list with two messages:

From	Received Date/Time	Subject	Action
Joshua Anderson	5/20/2016 - 13:15	<b>Elementum mattis ac enim phasellus, massa nunc ut egestas .</b>	<span>trash</span>
Kevin Jones	5/20/2016 - 09:21	Magna, habitasse proin quis amet a porta porta hac cras rhoncus sociis?	<span>trash</span>

Below the inbox is a message preview for the second message:

Hi Jack,  
Pellentesque et ultrices, dolor? Rhoncus etiam, nisi nec. Urna urna? Sit nascetur, scelerisque?  
Best Regards,  
Kevin

A reply text area is shown with "Reply:" and a large input field. Buttons for "Clear" and "Send" are at the bottom.

The "Message Thread" section shows the conversation history:

You Wrote - 5/16/2016: 16:21
